OTHER EXPERIENCE

- Screwfix: *Customer Sales Assistant*
- Capgemini: *Service Desk Analyst*
- Group Nexus: *Car Park Attendant*

VOLUNTEERING

- In my 6th year of Secondary School, I used my spare time to prefect for other classes, Where I supported students who needed an extra hand.
- As an explorer scout I spent time assisting leading scouts on activities.
- I supported younger students with Paired reading in which I helped with developing their reading and comprehension skills.

I am currently in my 4th year of university studying Computer games application development. I have a strong interest in computing I have spent time developing my craft in multiple areas, this includes cybersecurity and programming. I am looking to expand my knowledge and gain more experience within an IT based field as I reach the end of my degree.
